

# Tracker

## Power Clean Series

### Upright Vacuum

#### Reliable Cleaning

Reliable floor to ceiling cleaning. The Tracker is designed to withstand the demands of professional cleaning and offers years of worry-free use. Sleek with a remarkable design, it offers all metal high-wear components – handle tube, bottom plate, and brushroll – to stand years of use.

#### Breathe Easy

Features Clean Air Technology allowing only filtered air to pass through the fan and motor system and back into the room. Each vacuum is equipped with HEPA Media vacuum bag for advanced filtration and easy dirt disposal.

#### Reach Further

The telescopic Power Wand extends cleaning reach by 32 inches to clean shelves, corners and hard to reach areas. A crevice tool stores on board, as well as a natural bristle dusting brush that gently cleans baseboards and blinds.

| Specifications     | Tracker                     |
