

STRENGTH & SUSTAINABILITY

- **Deep Well Geometry** - At least 50% stronger than a standard 9" plate and provides added security against spills
- **Nonabsorbent Coating** - Helps keep sauces and liquids from soaking into products, reducing customer complaints
- **Renewable Resources** - Made with 99% plant-based renewable resources
- **Sustainability** - Paper products manufactured by Dart Container are certified to the SFI[®] standard, which promotes responsible forestry management and fiber sourcing
- **Compostability** - Meets ASTM D6868 standard for compostability*
- **Third-party Certified** - By Biodegradable Products Institute (BPI) and on the Cedar Grove list of accepted products

* Appropriate commercial composting facilities may not exist in your community. Please check with your local municipality. Not suitable for backyard composting.

Paper Dinnerware

SOLO'S STRONGEST PAPER DINNERWARE YET

Using paper dinnerware shouldn't limit what types of food are served. Durable and reliable, Solo provides a variety of offerings and three unique geometries that target specific applications. Serving meals with the appropriate geometry helps reduce spills and waste from product doubling.

Available in 3 Unique Geometries for a Variety of Applications

Deep-Well
Great for heavy or saucy foods
like steak and pasta

Standard
Perfect for oversized
meals like pizza and salads

Shallow
Ideal for light foods
like sandwiches
