Applications : Ronco disposable labcoats provide an excellent low-cost garment solution for non-hazardous clinical environments. They are light-weight, breathable and comfortable and can be used in a variety of settings including :

- **Laboratories**
- **Research and clinical facilities**
- **Pharmaceutical facilities**
- **Food processing facilities**
- **Meat packaging facilities**
- **Industrial and manufacturing facilities**

Product Features : ● 4 snap closure
 ● Comfortable, breathable and durable
 ● No pockets to allow dirt or food to accumulate
 ● Elastic wrists

Storage & Handling : Store in original package at room temperature under roof away from direct sunlight and moisture. While these garments are fully disposable, they may be used more than once depending on the application.

Special Notes : While the Polypropylene fabric provides splash resistance, it is not impermeable. Although reasonable care has been taken in the preparation of this document, no warranties are extended and no liability is assumed.
