

3M™ E-A-R™ Classic™ Foam Earplugs

Features

- Stiff enough when compressed to make fitting easier yet soft enough to be comfortable in the ear for extended wear
- Moisture-resistant—helps maintain a consistent expansion time, even in humid situations
- Many packaging options available including: reusable dispenser, paper pillow packs, and plastic bags
- Pillow packs may be reused for convenience and storage
- Easy-to-use wall mounting dispenser boxes available

Materials

- Earplug: polyvinyl chloride
- Cord: polyvinyl chloride

3M™ E-A-R™ Classic™ Foam Earplugs
