Applications : Ronco coveralls provide an excellent low-cost garment solution for non-hazardous dirty work environments. They are lightweight, breathable and comfortable and can be used in a variety of settings including :

- Food Processing and Handling
- Hospitals
- General Cleaning
- Meat Packaging
- Clinics
- Spray & Manual Painting
- Industrial and Manufacturing
- Laboratories
- Light Chemical

Product Features : ● Elastic wrists and ankles  
 ● Incorporated hood with elasticated face opening  
 ● Blue zipper closure  
 ● Comfortable, breathable and durable

Storage & Handling : Store in original package at room temperature under roof away from direct sunlight and moisture. While these garments are fully disposable, they may be used more than once depending on the application.

Special Notes : While the Polypropylene fabric provides splash resistance, it is not impermeable. Although reasonable care has been taken in the preparation of this document, no warranties are extended and no liability is assumed.
